Dear Steve

Now that Kumuwuki/Big Wave, the Regional Arts Australia National Conference 2012, is over and nearly all the bills have been paid, I am writing to say thank you for your involvement in the event. Country Arts SA, the producers of the event, has received great feedback from Regional Arts Australia and from participants, delegates and the wider Goolwa community on how the Conference went.

As Production Manager of the Conference I relied on many people to make this event the success it has been: Goolwa residents and venue managers, Alexandrina Council staff, Production crew and suppliers. I was happy in many instances to be able to work with artists, crew and suppliers from Goolwa and surroundings as well as staff from the Alexandrina Council who were an essential part of the success of the event.

I finish up at Country Arts SA on Friday 2 November but should you have any follow-up queries with regards to the event, please do not hesitate to contact me on the mobile phone number below. Where I go, it goes!

Thank you again for the great food and the insight into your working world and for leading such an efficient and charming team of people.

I wish you, Chris and all your team all the best for the rest of 2012.

Françoise
